PARTS CATALOG

RS013N-AC03J

INTRODUCTION

This catalog presents specific information on the parts and set-parts provided as spare parts for 'RS013N-AC03J'.

1. EXPLANATION OF PART NUMBER

2. HOW TO ORDER PARTS

(1) When ordering parts, please specify the following.

Part Number

Part Name

Quantity

(2) When confirming some parts, please inform us of the serial number of the Robot.

The serial number of the Robot is described on the name plate.

Name Plate for Arm

This character shows the device code.

This character shows the serial number.

(3) When ordering parts to be painted with specific color, please inform of the Munsell Color Code and submit sample of the color.

(4) When ordering set-parts, please specify the following.

Set-part Number

Set-part Name

Quantity

3. NOTE

- (1) Drawings are provided to assist in identification of parts. They are not intended to show the assembly procedure for the arm or controller.
- (2) Some printed circuit boards require installation of specific software or setting of dip switches in advance.
When ordering printed circuit boards, please include, with your order, information on software version and/or dip switch settings where applicable.
(Additional charge might be required.)
- (3) KAWASAKI will continue to supply all parts listed in this catalogue for 10 years from date of robot delivery. However, KAWASAKI will not be liable to maintain the supply of any items which become unavailable due to the discontinued supply or manufacture by KAWASAKI's sub-contractors.
- (4) Level in the Spare Parts List means the following.
 - A: The part to be stocked
 - B: The part to preferably be stocked
 - C: The part to be stocked if possible
 - M: The consumables
